- (a) in connection with an offer of such securities by way of rights issue, open offer or other pre-emptive offer to holders of ordinary shares in proportion (as nearly as may be practicable) to their respective holdings of such shares, but subject to such exclusions or other arrangements as the directors may deem necessary or expedient in relation to fractional entitlements or any legal or practical issues under the laws of any territory or the requirements of any regulatory body or stock exchange; and

such authority to expire at the end of the next annual general meeting of the Company or, if earlier, at the close of business on 31 December 2019 (unless renewed, varied or revoked by the Company prior to its expiry), save that, prior to its expiry, the Company may make offers or enter into agreements which would, or might, require equity securities to be allotted after such expiry and the directors may allot equity securities under any such offer or agreement as if such authority had not expired. **See note 6.**

Notes relating to resolutions

1. Resolution 2 – directors' remuneration report

The directors' remuneration report is set out on pages 86 to 107 (inclusive) of the 2018 Annual Report and provides details of the remuneration received by each of the directors for the year ended 30 June 2018. The remuneration policy was approved by the shareholders at the 2017 annual general meeting and remains unchanged. A summary of this policy has been included on pages 102 to 107 (inclusive) of the 2018 Annual Report for ease of reference. The full remuneration policy can be found on pages 86 to 93 (inclusive) of the 2017 Annual Report. This vote is advisory and therefore will not affect the remuneration or benefits received by any director.

2. Resolution 3 – declaration of final dividend

If approved, the final dividend of 46.0p per share will be paid on 3 December 2018 to shareholders on the register of members at the close of business on 28 September 2018.

The Dividend Reinvestment Plan (the 'DRIP') is available in respect of this dividend. Further information on the DRIP is available on our website at www.kier.co.uk or from the Company's Registrars, Link Asset Services, whose contact details are set out on page 12 of this notice.

3. Resolutions 4 to 11 (inclusive) – re-election of directors

All directors, other than Nick Winsor, will seek re-election at the Meeting. As described in the 2018 Annual Report, Mr Winsor has served as a director for nine years and will be standing down from the board of directors of the Company (the 'Board') at the conclusion of the Meeting.

Biographical information relating to each of the directors standing for re-election is set out on pages 7 and 8 of this notice.

The Board considers that each non-executive director who is proposed for re-election has appropriate and relevant skills, experience, independence and knowledge of the Company to enable him or her to discharge the duties and responsibilities of a director effectively. The Chairman of the Board considers that the performance of each of the non-executive directors continues to be effective and that each such individual continues to demonstrate appropriate commitment to the role.

4. Resolutions 12 and 13 – re-appointment and remuneration of auditor

The Company is required to re-appoint its auditor at each general meeting at which accounts are laid, which will normally be at each annual general meeting. Resolution 12 proposes the auditor's re-appointment. Resolution 13 proposes that the directors be authorised to determine the level of the auditor's remuneration.

5. Resolution 14 – directors' authority to allot new shares

Section 549 of the Companies Act 2006 (the '2006 Act') requires directors to obtain shareholders' approval to enable them to allot securities. Paragraph (a) of this resolution will, if approved, give the directors a general authority to allot additional share capital, within certain constraints. It will permit the directors to allot shares in the Company, or to grant rights to subscribe for, or to convert any security into, shares in the Company up to an aggregate nominal amount of £325,533, representing approximately one-third of the total issued ordinary share capital of the Company as at 5 October 2018, the latest practicable date before publication of this notice.

In line with guidance issued by The Investment Association, paragraph (b) of this resolution will, if approved, give the directors additional authority in the case of a rights issue to allot ordinary shares in favour of shareholders up to an aggregate nominal amount of £651,066, less the nominal amount of any shares or rights issued under paragraph (a) of the resolution. This amount (before any such reduction) is approximately two-thirds of the total issued ordinary share capital of the Company as at 5 October 2018, the latest practicable date before publication of this notice.

It is the Company's policy to seek renewal of these authorities annually. The directors have no present plans to allot shares, other than in connection with employee share schemes. If the additional authority in paragraph (b) of this resolution is used, the directors intend to follow The Investment Association guidance that all of the directors will stand for re-election at the next annual general meeting. The Company does not hold any of its equity securities in treasury.

6. Resolutions 15 and 16 – disapplication of pre-emption rights

Section 561(1) of the 2006 Act provides that 'equity securities' (including shares) must not normally be issued for cash without first offering them to existing shareholders in proportion to their existing shareholdings at the time of the offer. Resolution 15 will, if approved, enable the directors to overcome certain practical difficulties that could arise in the context of a pre-emptive offering where it is in the interests of the Company for the directors to issue shares otherwise than strictly in compliance with those requirements.

If resolution 15 is approved, it will provide the directors with an authority consistent with section 570 of the 2006 Act to disapply section 561(1) of the 2006 Act and, therefore, a limited authority to issue equity securities for cash without first offering them to existing shareholders up to an aggregate nominal amount of £48,830, representing approximately 5% of the existing issued ordinary share capital of the Company as at 5 October 2018, the latest practicable date before publication of this notice.

Resolution 16 is in line with the Pre-Emption Group's Statement of Principles which were revised in March 2015 (the 'Principles'). The Principles indicate that investors will support an increased authority to issue shares for cash (otherwise than in connection with a pre-emptive offer) from 5% to 10%, provided that the additional 5% authority is used in connection with an acquisition or 'specified capital investment' (as described in the Principles). In such circumstances, resolution 16, if approved, will enable the directors to allot additional equity securities for cash up to an aggregate nominal amount of £48,830, representing approximately 5% of the existing issued ordinary share capital of the Company as at 5 October 2018, the latest practicable date before publication of this notice.

The directors confirm that shares representing more than 5% of the issued ordinary share capital of the Company will only be allotted for cash pursuant to the authority referred to in paragraph (b) of resolution 16 where that allotment is either in connection with an acquisition or a specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

It is the Company's policy to seek renewal of the authorities referred to in resolutions 15 to 16 annually. The directors currently have no intention to allot shares other than in connection with employee share schemes. The directors also confirm that, in line with the Principles, the Company does not intend to issue more than 7.5% of its total issued share capital on a non-pre-emptive basis over a three-year rolling period without prior consultation with its shareholders, other than in connection with an acquisition or specified capital investment in the circumstances described above.

7. Resolution 17 – notice of general meetings

Under the 2006 Act, the notice period required for general meetings of the Company is 21 clear days unless shareholders approve a shorter notice period for meetings other than an annual general meeting, which cannot be less than 14 clear days, and the Company offers a facility for shareholders to vote by electronic means. Annual general meetings will continue to be held on at least 21 clear days' notice.

The Company would like to be able to call general meetings other than an annual general meeting on 14 clear days' notice and this resolution seeks the approval of shareholders to do so. If granted, the approval will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed. The shorter notice period would not be used as a matter of routine, but only where the flexibility is merited by the business of the meeting and is thought to be in the interests of shareholders as a whole. Electronic voting is provided by the Company's Registrars via www.kier.co.uk/vote.

Recommendation

The directors believe that all the resolutions to be proposed at the Meeting are in the best interests of the Company's shareholders as a whole and unanimously recommend that all shareholders vote in favour of such resolutions, as they intend to do in respect of their aggregate beneficial holdings of ordinary shares in the capital of the Company (amounting to approximately 0.18% of the issued share capital of the Company as at 5 October 2018, the latest practicable date before publication of this notice).

General notes

- 1 At the Meeting, votes will be taken by poll rather than on a show of hands. All votes cast at the meeting will be added to those that were validly lodged with the Company's Registrars, Link Asset Services, prior to the Meeting.
- 2 Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, only those shareholders entered in the register of members of the Company at close of business on Wednesday, 14 November 2018 will be entitled to attend, speak and vote at the Meeting in respect of the shares registered in their name at that time or, if the Meeting is adjourned, such time being not more than 48 hours prior to the time fixed for the adjourned meeting. Changes to entries in the register of members after such time shall be disregarded in determining the rights of any person to attend or vote at the Meeting.
- 3 A shareholder entitled to attend and vote at the Meeting is entitled to appoint one or more proxies to attend, speak and vote on their behalf, provided that each proxy is appointed in respect of a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. Appointing a proxy does not prevent a shareholder from attending and voting at the Meeting. If a shareholder appoints a proxy but attends the Meeting in person, the proxy appointment will be automatically terminated.
- 4 In order to be valid, a completed and signed form of proxy must be lodged with the Company's Registrars, Link Asset Services, by no later than 12 noon on Wednesday, 14 November 2018, or not less than 48 hours before the time appointed for holding any adjourned meeting, along with any power of attorney under or pursuant to which the proxy is appointed, by using the enclosed pre-paid envelope. A form of proxy will be sent to shareholders. The form can be lodged by post, electronically or, for CREST members, via the CREST electronic proxy appointment service.
- 5 Any corporate shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its power as a member provided that they do not do so in relation to the same shares.
- 6 Shareholders may submit their proxy vote electronically via www.kier.co.uk/vote. Enter 'Kier Group plc' into the search box, click 'Search' and click on the Company's name to be taken to the login page. From there, shareholders can log into their Link share portal account or register for the Link share portal by following the on-screen instructions. Shareholders will need their Investor Code (IVC) which can be found on their share certificate or recent dividend confirmation.
- 7 Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 (the '2006 Act') to enjoy information rights (a 'Nominated Person') may, under an agreement between them and the shareholder by whom they were nominated, have a right to be appointed (or have someone else appointed) as a proxy for the Meeting. If a Nominated Person has no such proxy appointment or does not exercise it, they may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. The statement of the rights of shareholders in relation to the appointment of proxies in note 3 above does not extend to Nominated Persons.
- 8 CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting and any adjournment thereof by using the procedures described in the CREST manual. The CREST manual can be found at www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST proxy instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ('EUI') specification and must contain the information required for such instructions, as described in the CREST manual. All messages regarding the appointment of a proxy or an instruction to a previously appointed proxy must be transmitted so as to be received by Link Asset Services (ID RA10) by no later than 12 noon on Wednesday, 14 November 2018. CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will apply in relation to the input of CREST proxy instructions. It is therefore the responsibility of the CREST member concerned to take such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time.
- 9 In the case of joint shareholders, where more than one of the joint shareholders purports to appoint a proxy, only the appointment submitted by the most senior shareholder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members, the first-named being the most senior.
- 10 Shareholders may change their proxy instructions by submitting a new proxy appointment using the methods set out or referred to above. The cut-off times for receipt of proxy appointments set out above also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.

Where a shareholder has appointed a proxy using the hard copy proxy form and would like to change the instructions using another hard copy proxy form, they should contact the Company's Registrars, Link Asset Services.

If more than one valid proxy appointment is submitted, the appointment received last before the latest time for the receipt of proxies will take precedence.

General notes continued

11 In order to revoke a proxy instruction, a shareholder will need to inform the Company by sending a signed hard copy notice clearly stating its intention to revoke its proxy appointment to the Company's Registrars, Link Asset Services. In the case of a shareholder which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice.

The revocation notice must be received by no later than 12 noon on Wednesday, 14 November 2018. If a shareholder attempts to revoke its proxy appointment but the revocation is received after the time specified then the original proxy appointment will remain valid.

Termination of proxy appointments made through CREST must be made in accordance with the procedures described in the CREST manual.

12 CREST members and, where applicable, their CREST sponsors or voting service providers, are directed to those sections of the CREST manual concerning the practical limitations of the CREST systems and timings. The Company may treat as invalid a CREST proxy instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

13 As at 5 October 2018 (the latest practicable date before publication of this notice), the total number of ordinary shares of 1p in the capital of the Company in issue was 97,660,163 shares, with each share carrying the right to one vote. 16 Pursuant to section 319A of the 2006 Act, any member attending the Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting, but no such answer need be given: (i) if to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information or (ii) if the answer has already been given on a website in the form of an answer to a question or (iii) if it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.

17 Pursuant to Chapter 5 of Part 16 of the 2006 Act, where requested by either a member or members meeting the threshold requirements set out in section 527 of that Chapter 5, the Company must publish on its website a statement setting out any matter that such member or members propose(s) to raise at the Meeting relating to the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Meeting.

Where the Company is required to publish such a statement on its website, it may not require the members making the request to pay any expenses incurred by the Company in complying with the request. It must forward the statement to the Company's auditor no later than the time the statement is made available on the Company's website and the statement may be dealt with as part of the business of the Meeting.
