

NEW HOSPITAL DEVELOPMENT IN BEXHILL

Update 3 – Come and meet us!

As you know, we're building a new mental health hospital in Mount View Street, Bexhill.

Preliminary work has started so we felt this is a good time for you to meet the people from Kier Construction who are responsible for the build.

They will be on hand to answer your questions or concerns about the work.

It also gives you another chance to meet the team from Sussex Partnership NHS Foundation Trust, who will be running the new facilities, to discuss the hospital in more detail.

So, please come along!

**Thursday 9 March
3.30pm to 8.00pm**

**The Pelham
Holliers Hill
Bexhill-on-Sea
TN40 2DD**

The Project

The new hospital will provide 54 beds for adults and older people across East Sussex.

Enabling works are currently planned to start in June/July 2023 and we plan to complete construction at the end of 2024/beginning of 2025.

We have recently finished the initial archaeological investigations, which were overseen by the County Archaeologist. We have also completed the hedgerow clearance, under licensed ecological supervision.

We expect to carry out further site investigations soon, including digging trial pits to locate underground services and determine how the subsoil, that is soil under the surface, is made up.

Apprenticeships

If you know someone that is thinking of going to university, but also wants to gain practical skills and earn at the same time - then Kier may just have the programme for them.

The Kier Degree Apprenticeship programme offers the opportunity to study for a degree, cost free, while gaining practical experience in our industry.

The latest Kier Degree Apprenticeships can now be found on our careers page. These also include some level 2/3 opportunities.

Visit <https://www.kier.co.uk/careers/> to see the full list of opportunities and more information about what we have on offer.

Site operations hours:

7:30am to 5pm or dusk.

Kier project office

We will be based on site once works start.
