

Mulberry Academy London Dock

An update on the project we are delivering for your local community

Malcolm Emmerson
Senior Project Manager

Hello, I'm Malcolm Emmerson, your senior project manager on site and I wanted to share the latest news with you on Mulberry Academy London Dock, which we are delivering for your local community.

We will send out regular newsletters to let you know what we have been up to on site and any planned works in the near future.

We hope you find this information useful and if you have any questions I would be happy to speak to you.

An update on your project

The last month saw the site re-open on 4 January after the Christmas break.

The tower crane installation had been pushed back many times due to weather conditions and was finally installed in two stages on 15 and 16 January and 29 and 30 January. The tower crane will become operational on 10 February.

Piling finished on 2 February.

Thames Water will be carrying out a survey of the existing sewer on 7 February.

Foundation and excavation works are ongoing.

Ministerial Visit at London Dock site

We were delighted to welcome the Minister for Employment, Mims Davies, to our Mulberry Academy London Dock project on 18 January.

The Minister met a number of our team who have taken an early careers' route with Kier, such as apprenticeships or the Kier degree, and spoke about the fantastic job and career opportunities Kier and the construction industry offer to local communities and young people.

This exciting project will create around:

- ✓ 10 local new job opportunities
- ✓ 10 new apprenticeships
- ✓ 30 local work experience placements
- ✓ outreach programmes to local businesses and schools

In partnership with our supply chain this project will, at its peak, have around 250 skilled tradespeople on site and, after the two year construction period, will have created around 2000 job and work experience opportunities overall.

Site opening hours

08:00 – 18:00 Monday – Friday

08:00 – 13:00 Saturday

Out of hours contact telephone number
07870 835 258

Kier site office address

Mulberry London Dock School, Plot E,
10 Virginia Street, London, E1W 2AS

Keeping you informed

We have a dedicated construction web page for this project to keep you up to date. Please scan the QR code below to find out more.
