

# NEW HOSPITAL DEVELOPMENT IN BEXHILL

Development Overview – CGI by Gilling Dodd Architects

## Update 4

This is the latest update on our plans to build a new 54-bed mental health hospital in Mount View Street, Bexhill.

During April, we will carry out some more site investigations, these include further archaeological works, groundwater monitoring and subsoil properties testing.

We are now compiling all the evidence we need to satisfy the conditions set out by Rother District Council as part of the planning permission. You can see details of these on the planning portal at: [www.rother.gov.uk](http://www.rother.gov.uk)

This means that we will aim to start work on Monday 19 June, pending Local Authority and NHS governance approvals.

### Timetable:

#### April 2023

Site investigations

#### June-July 2023

Enabling works begin.  
Site perimeter and  
commence earthworks

### Our first activities will be to:

- install fences around the perimeter and create a site entrance,
- deliver some welfare units to provide washing and toilet facilities for our workers,
- start earth movements such as digging, filling and compacting to create stable surfaces for construction.

We would also like to say thanks to everyone who came along to our "Meet the Contractor" event on Thursday 9 March.

It was great to see so many of you turn up and give us the opportunity to answer your questions.

Hopefully, you went away better informed about our plans and you know where we are if you still have any concerns.

So please, don't hesitate to get in touch.

## Next Update in May

### Site operations hours:

7:30am to 5pm or dusk.

#### Kier project office

A container will be on site where our Site Manager will be located.

#### Kier local office

Platinum House, Sussex Manor Business Park, Gatwick Road, Crawley, RH10 9NH
